

RCEME GEMRC

Master Warrant Officer Wayne Flieler, CD

MWO Flieler was recruited in Kingston, ON and signed the line on 5 Sep 1989. Started Basic training in Cornwallis NS a couple weeks later. After leaving this fine establishment, he was off to Kingston for some serious P.O.E.T Training that would last until April 1990, where he was sent to Borden, ON to be trained as a FCS Tech. After completion of his QL3, he was off to Calgary AB, posted to the first and the finest, 1 PPCLI, where he spent 6 years. In that time, he finished his 4's package, QL5 and his Combat Leadership Course.

In 1997 he was promoted to MCpl and sent to Petawawa with Recce Sqn RCD for a 4 year stint. While in Petawawa he did 2 tours to Bosnia with 3 RCR with a short trip to Macedonia during his second tour. He was posted to Kingston immediately upon return of his second tour to CFJSR. In the 4 ½ years with the Sigs, he filled multiple roles in Maintenance Troop from IC Ancil to Tp WO for 3 months. In 2006 he was promoted to Sgt and sent to the RCEME School in Borden as the IC for Electrical Sect but was quickly moved to IC of the LAV Cell where he stayed for the remainder of his time. After successfully managing "to not lose or break" any LAV's, he was promoted to WO in 2010 and sent to the ALL Knowing center of the world, the NCR. There he became a LCMM with the TLAV fleet and was promoted to MWO in 2013. He spent those 7 years managing equipment and helping the TLAV team with multiple issues with the fleet and taking multiple courses to pad his resume...for what comes next.

After more than 28 years of dedicated service to his country and Corps, MWO Flieler retired from the military as of 15 Jan 2018 and will be remaining in the Ottawa area with his wonderful Bride Donna and their boys Zachary and Caleb
