DIRECTOR RCEME COMMUNIQUÉ No 05/2017
- RCEME ACCOUTREMENTS AVAILABLE AT CANEX

1. The purpose of this Communiqué is to announce the CANEX as the official sole distributor of RCEME kit shop items including merchandise, accoutrements, and apparel.
2. The contract has been previously awarded to CANEX to officially sell RCEME merchandise, accoutrements, and apparel because of its convenience and accessibility both in store at most major locations and also online at minimal shipping costs.
3. Products for sale are produced domestically, for the most part and are of the highest quality. By choosing to purchase with the CANEX, the RCEME Corps receives 10% returns from sales which will help the Corps fund events such as bonspiels and golf tournaments. Also, by shopping at the CANEX, soldiers can accumulate points through their CF1 card.
4. From this migration of the kit shop to CANEX, considerable benefits are anticipated for RCEME Corps members including expedient service, better selection, and improved prices. We encourage you to go to your nearest CANEX store or to go online at www.CANEX.ca to purchase your RCEME kit shop items. Your feedback is important to ensure we are meeting your requirements. Questions or concerns can be directed to the RCEME School RSM, CWO Saunders at Jeffrey.Saunders@forces.gc.ca.
