## Retirement Message Corporal Trevor Blount

Cpl Blount has released from the CAF on 15 March 2017 after 10 years of dedicated service to Canada.

Trevor was born and raised in Saint John, NB. He worked jobs such as security, tech support and road construction but was looking for a career that would offer adventure. That is when he enlisted in the CAF as a Vehicle Technician.

Trevor did his Basic Training in April 2007 in Saint-Jean-sur-Richelieu, QC. Upon completion he was sent to Ottawa to attend Algonquin College for a one year automotive power tech course as his DP1. In August 2008, he graduated in the Dean's list with high honours. In 2012, he graduated as the top candidate for his DP2. His high standard of work and knowledge were an asset to the sections he was posted to within Maintenance Company.

Trevor now lives at home with his five children and his wife Crystal. He is attending school at Eastern College for Supply Chain and Logistics.

A DWD will be held for Trevor on 8 Dec 17 at 1430 hrs at Barbie and Ken's located 277 Restigouche Rd in Oromocto, NB. All are welcome to attend.
