Cpl Alexandre Morais
Véhicule Technician

After 8 plus years of distinguished service in the Canadian armed forces all within the Royal Canadian Electrical and Mechanical Engineering (RCEME) Corps Cpl Alexandre Morais will retire on August 8th, 2018.

Born and raised in Repentigny, Quebec, he joined the CAF as a vehicle technician on the 14th of October, 2009 and proceeded directly to basic training in St. Jean Sur Richelieu. He completed his basic training in March 2010 and then went on to follow his regimental and trade courses. Once all his initial training was completed, he was then posted to 5th service battalions at CFB Valcartier. During his four-year stay in Valcartie his was named soldiers of the year by Col Poirier in 2013. Passionate about sports and training he walked away with two gold medals in the 60 metres sprint in 2013 and 2014. In July 2015 he left 5th service battalion and was welcomed to 202 Workshop Depot in the beautiful city of Montreal where he stayed and will be retiring from. While at 202WD he was always involved with Centraide and the health and safety teams. Due to experience and vast knowledge on LAV 6 vehicles he took part in both up-armouring projects.

Cpl Morais will be retiring on the 8th of August, 2018 which there will be a depart with dignity ceremony on the Thursday August 2nd, 2018 at La Belle et le Boeuf in Ville d`Anjou. Congratulatory messages and anecdotes can be sent to the email address mark.lodico@forces.gc.ca.
