DIRECTOR RCEME COMMUNIQUÉ No 03/2018 –
UPDATE TO THE RCEME REGIONAL NETWORK

1. The intent of this communique is to announce the changes made to the RCEME Regional Network senior leadership. The members of this network hold key positions of influence and assist the Corps of RCEME in the communication and execution of Corps initiatives; including but not limited to advising the Chain of Command, collecting and analyzing information requirements in accordance with the Corps Strategic Management Plan, mentoring junior leaders and fostering esprit-de-corps. Each region is assigned a Council Member and is represented by a Senior Officer and Senior NCO.
2. Please refer to Annex A for an up-to-date version by region given that many of the leaders filling these key positions have changed. This Annex is also available on RCEME internet site at <http://rcemecorpsgemrc.ca/the-corps/reg-network-and-map/>.
3. The RCEME Regional Network has the responsibility of ensuring that the regional voice is heard. That said, communication must travel both ways. The importance of communication in our Corps cannot be overstated; we are a 'regiment of many small units... everywhere' and therefore must make the extra effort to reach out to all RCEME personnel.
