## RETIREMENT MESSAGE

### Cpl Lauzon C

Cpl Colton Lauzon has retired from the CAF on April 19th 2020 after more than 11 years of loyal service.

Cpl Lauzon was born 1990 in Sarnia ON and raised in the small town of Hearst. He joined the CAF as an ACS Tech in Oct 2008 in Sudbury ON. After completing BMQ in ST-JEAN-SUR-RICHELIEU he was sent to Borden ON to start his ACS Tech training. He discovered a love of welding during the course and decided to submit an occupational transfer to Materials Technician. In 2011 Cpl Lauzon completed his Materials Tech DP1 and was posted to CFB Gagetown to do his time as an OJT.

In June 2014 Cpl Lauzon graduated from his DP2 as a Journeyman Mat Tech and was posted back to Gagetown K4 base maintenance welding shop working on multiple second line platforms and projects and completing his Sea Container Inspector course. While in Gagetown he met his lovely wife Sarah and they married in 2016.

In 2018 he joined the army of the west when he was posted to 1CER 18 Sqn Materials shop. While at 1CER he filled the role of shop 2IC and he successfully completed his advanced welding course in 2019 giving him the certification to complete multiple repairs on different platforms such as the new AEV.
