## RETIREMENT MESSAGE

### Cpl Albert Muroyan

After 5 years of service with the Canadian Armed Forces (CAF) and the Corps of Royal Canadian Electrical and Mechanical Engineers (RCEME), Cpl Muroyan will retire on June 14<sup>th</sup>, 2020.

Despite his short service, Cpl Muroyan still managed to contribute to the cause and represent RCEME, deploying with 3 RCR on a major international exercise in Fort Polk, Louisiana.

Following his release he intends to go back to his machining roots, where his broadened knowledge from his time in the core will no doubt serve him well. We wish him all the best in his future endeavors.

An official Departure with Dignity (DWD) Ceremony is not planned at this time, but we will be saying farewell to him at a luncheon in early June. If you wish to have any anecdotes of your experience with Cpl Muroyan read at the luncheon, please send them to MCpl Krob at [jeremy.krob@forces.gc.ca](mailto:jeremy.krob@forces.gc.ca) as soon as possible.
