

RCEME GEMRC

RETIREMENT MESSAGE

Cpl McNamara

After 6 years of service with the Canadian Armed Forces (CAF) and the Corps of Royal Canadian Electrical and Mechanical Engineers (RCEME), Cpl Stephanie McNamara will leave the Regular Force on 15 Jan 2021.

Cpl Stephanie McNamara joined the CAF on January 23 2015, she completed her basic training and went to the RCEMES to complete her training as a Vehicle Technician. After completing her training she was posted to the wonderful CFB Shilo, Manitoba, and became an integral part of Base Maintenance. While there she completed her DP 1.2 and went back to Borden in Nov 2019 to complete her DP 2.

After a year as a qualified technician, she decided the Regular Force life wasn't for her anymore. She would rather stay at home to raise her child, llamas and horses on the farm. She will, however, continue to be part of the military by joining 16 Fd Regt as a Gunner in Brandon, Manitoba.

Cpl McNamara does not wish to have a DWD. If there are any messages or stories that you wish to pass on to Cpl McNamara, please send them to MCpl Meade at JOSH.MEADE@forces.gc.ca
