

## **RCEME Foundation Newsletter – 2025/5**

We hope everyone enjoyed their Summer this year!

The RCEME Foundation, partnering with the RCEME Museum, continues to develop new Digital and Museum projects, following on our success last year with the **Honours and Awards Platform**.

### **Recognizing Excellence in RCEME**

The RCEME Honours and Awards website provides a searchable record of honours and awards presented to hundreds of officers and non-commissioned members of the Royal Canadian Electrical and Mechanical Engineers (RCEME) Corps and its predecessor organizations. While most of these honours were bestowed by Canada, recognition for RCEME from other nations is also included in the database.

The database represents the digitization of over 650 records that were originally compiled by RCEME Heritage volunteers in the 2010s, and have been recently updated for this project. This online portal (which will be updated annually) now makes this information accessible to RCEME service members, their families, and the general public who can search records by the award and the recipient's name.

If you would like to support our current efforts to develop portals for **RCEME in Normandy** and the **RCEME Leaders and Trailblazers Digital Wall**, please consider a donation. These funds will be used to preserve and celebrate our RCEME Heritage via our Education and Digital Museum Projects, in partnership with the RCEME Corps Heritage Program.

The annual GCWCC/NDWCC is now underway. For CAF members and Government of Canada employees, you can write-in the RCEME Foundation as a CRA charity on section 3 of your GCWCC/NDWCC online or paper forms. Use the following info:

- **The RCEME Heritage and Museum Foundation**
- **CRA Registration #74077 3916 RR0001**

Alternately, you can donate directly at our website:

**Welcome**

Welcome to the RCEME Museum. Come discover the story of the Corps of Royal Canadian Electrical and Mechanical Engineers (RCEME)—the service members who provide the technical skills necessary to maintain land equipment for Canadian Armed Forces operations worldwide.

The RCEME museum highlights the services these soldiers have provided from the First World War through the Cold War, UN Operations and Afghanistan. Throughout the museum, you'll find an exciting array of objects and memorabilia including photographs, models, medals, uniforms, kit and equipment, and other items that
